

Quantum Rewards

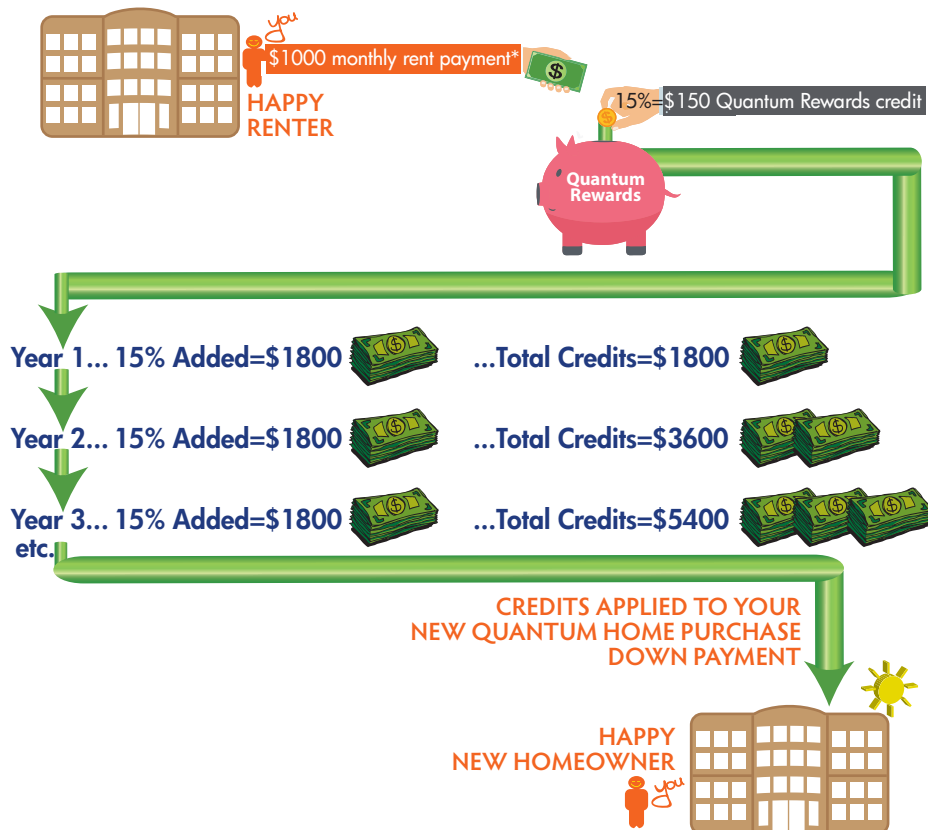

Get Your Rent Payments Doing Double Duty.

Quantum Properties offers an excellent way to put your monthly rent payments to work for you. Now you can save the equivalent of 15% of your Quantum rent payment in a Quantum Rewards account and apply it to the purchase of a new Quantum home.

The best part? -- your Quantum Rewards credits are calculated and managed automatically. You don't need to do anything for your Quantum Rewards account to grow other than to make your regular monthly rent payments.

HERE'S AN EXAMPLE OF HOW IT WORKS...

Each month you're renting a Quantum home you'll earn a 15% Quantum Rewards credit based on your monthly rent payment.

When you decide you're ready to make the move from renter to homeowner, the total amount of credits accumulated in your Quantum Rewards account can then be applied to the purchase of a new Quantum condo or townhome in any of our projects, up to a maximum of 3% of the total price of your purchase.

Simple as that.

Quantum Rewards credits are not redeemable except towards the purchase of a new Quantum Properties home. Credits remain available for use for 24 months after moving out of your Quantum rental. Some restrictions apply. We'd be happy to explain all the details to you anytime - just call or email us. Managed by the Quantum Properties Group of Companies. This is not an offering for sale.
