ONE YEAR WARRANTY SERVICE REQUEST

- Please clearly define items that *only* relate to drywall shrinkage, such as drywall cracks and nail pops. Any other items not relating to the former will be considered based on its warrantable status. Drywall repairs are made paint ready. ***Painting after the drywall repair has been done is the responsibility of the homeowner.***

- If we do not hear from you before your anniversary date (your possession date), we will assume these repairs are not required. Any items brought to the attention of Quantum Properties after the one year anniversary date, will not be attended to.

- Once we receive such a list, a Quantum Customer Service Representative will contact you for an appointment to qualify the items and repair as necessary per warranty standard.

- One year warranty appointments will be booked between the hours of 7:30 am and 4:00 pm Monday through Friday.

Date: _____ **Building Name:** _____

Unit Number: _____ **Bldg. Address:** _____

Name of Owner: _____ **Name of Owner:** _____
